PETITION TO WITHDRAW ABANDONMENT (37 C.F.R. 1.181)

Dear Sir:

Applicant hereby respectfully requests withdrawal of abandonment of the captioned application. A Notice of Abandonment was mailed in the application on August 20, 2002 indicating that the application was abandoned for failure to reply to a Notice to File Missing Parts mailed November 13, 2000. However, a response to that Notice of Missing Parts was filed, and Applicant is, therefore, filing this Petition under Rule 1.181 to submit proof of the filing of the response and to request withdrawal of abandonment. Please consider the following evidence in support of this Petition under Rule 1.181.

The undersigned Attorney assumed responsibility for the captioned application in May of this year when the Applicant executed a Power of Attorney in favor of the undersigned Attorney. The executed Power of Attorney and a Notice of Change of Correspondence Address were couriered to Washington for hand filing by an Associate Attorney (see the Associate Power of Attorney filed simultaneously with the executed Power and Notice of Change) in June so that the Associate Attorney could ascertain the status of the captioned application and obtain a copy of the file history. The Office apparently took until July 27 to enter the Power (see the Notice Regarding Change of Power of Attorney mailed August 2, 2004 indicating that it was responsive to the Power of Attorney filed July 27, 2004) and it was still another three weeks before the

Associate Attorney was able to obtain a copy of the file history from the Office. That copy arrived in the offices of the undersigned Attorney on August 18, 2004.

In the meantime, the Attorney who filed the captioned application, Mr. Glenn L. Webb (Conifer, CO), had forwarded a copy of his file for the application to the undersigned Attorney. The copy of the file obtained from Mr. Webb did not include a copy of the Notice of Abandonment. When it was discovered upon receipt of the file history from the Office on August 18, 2004 that the application was abandoned for failure to respond to the Notice of Missing Parts and that the copy of the file obtained from Mr. Webb included a copy of a response to that Notice, it was apparent that the application was deemed abandoned in error such that this Petition under Rule 1.181 is appropriate.

A copy of the response to the Notice of Missing Parts as filed (with a properly executed certificate of mailing) on March 6, 2001 is attached as Exhibit A. The response was accompanied by the signed, original Declaration of the Applicant, a Petition for Extension to Time for two months, and a Fee Transmittal (Form PTO/SB/17) enclosing and referring to a PTO Form 2038 authorizing a charge to a deposit account in the amount of the two month extension of time and the surcharge for late filing of the declaration. Copies of all of these documents (except for the Form PTO-2038) are included in the attached Exhibit A. Further, a postcard was sent along with that response for date-stamping and return, and a copy of that postcard with the date-stamp of the Office is included in Exhibit A.

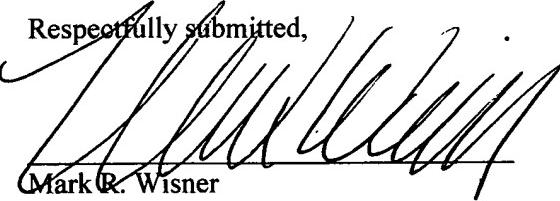

It is therefore respectfully requested that the attached response to Notice of Missing Parts, which does not appear to have been entered by the Office when mailed in March 2001, be considered timely filed at this time and that the holding of abandonment be withdrawn. Applicant's Attorney is informing the Office of the mailing of the response promptly after becoming aware that the Office had no evidence of receipt of that response, and as required by 37 C.F.R. 1.8(b), this Petition is accompanied by a copy of that response. Further, the attached date-stamped postcard provides evidence of the timely mailing of that response (37 C.F.R. 1.8(b)(3)) and receipt of the response by the Office.

So far as is known, there is no fee for the filing of a petition under 37 C.F.R. 1.181. However, in the event a fee is assessed, the Commissioner is authorized to charge the Deposit Account of Wisner & Associates, Account No. 50-0965 (NIGA,002). Please note that the fee transmittal sent in response to the Notice to File Missing Parts in March 2001 (attached as Exhibit A) did authorize the Commissioner to charge the credit card of the aforementioned Mr. Webb for the \$65.00 fee for late filing of the Declaration of the inventor and for the two month extension of time, and that the fee transmittal refers to an enclosed Form PTO-2038. Since the

attached postcard indicates that the items mailed in response to the Notice of Missing Parts, including the credit card authorization, were received by the Office, it stands to reason that Mr. Webb's credit card was debited in the amount of the \$260.00 fee listed on the fee transmittal in accordance with the authorization set out in the Form PTO-2038 enclosed with that transmittal such that Applicant should not now need to pay that fee again. However, in the event the records of the Office show that the fee was not charged to the credit card listed on the Form PTO-2038 filed in 2001, it is respectfully requested that the Deposit Account of Wisner & Associates, Account No. 50-0965 (NIGA,002) be charged in the amount of any necessary fee at this time.

In the event there are questions regarding this filing, it is respectfully requested that the undersigned attorney for Applicant be contacted at the address and phone number set out below.

Respectfully submitted,

Mark R. Wisner
